DADA, The Downtown Arts District Association is a neighborhood organization of artist studios, residences, and businesses that is dedicated to the promotion of arts and culture in Winston-Salem through education, entertainment, community interaction and trade.

Through its Gallery Hops and co-sponsorship of various city events, DADA has infused our downtown with new life and energy, helping build the Art District itself into a vibrant community. With our ongoing brick campaign, we continue to organize monthly events, assit emerging arts leaders and bring youth are activities to the streets. Our end goal is to fill the sidewalks in the district with your voice literally remaking the streets of the Art District and we want you to be a part of it.
